Rule 24.171.603 reserved

24.171.604 EMERGENCY GUIDE LICENSE (1) An outfitter may employ a guide for ten days by using an emergency guide license on an application form provided by the board. The completed application form must be submitted to the board within that ten-day period.

(a) The outfitter must certify on the form that the guide is competent to provide guiding services in the physical location in which the guide will operate and for the specific activities in which the guide will engage.

(b) One emergency guide form will be provided to each outfitter annually at the time of renewal. When an outfitter submits an emergency guide license application in accordance with this rule, a blank form will be sent to the outfitter for use during the remainder of the license year. An outfitter may not submit for approval more than five emergency guide license application forms in any one-license year, unless under state or federal emergency the board increases the allowable number of emergency guide licenses. An outfitter is prohibited from sharing emergency guide license applications with another outfitter.

(c) If an emergency guide wishes to have a regular guide license, a complete application must be received in the board office within ten days from the first day the emergency guide was used. Subchapter 7

Net Client Hunter Use and River-Use Days

24.171.701 DETERMINATION OF NET CLIENT HUNTER USE AND
REVIEW OF NEW OPERATIONS PLAN AND PROPOSED EXPANSION OF NET
CLIENT HUNTER USE UNDER EXISTING AND NEW OPERATIONS PLAN(S)

(1) An outfitter shall not expand net client hunter use without first applying for and receiving approval from the board for such expansion.

(2) Except as provided in (4) and (5), net client hunter use for outfitters shall be determined by taking the highest total number of hunting clients served by the outfitter and any guides working under the endorsement of the outfitter in a year during which the outfitter was licensed in the state of Montana, with a categorical breakdown of hunting clients served using licenses issued no later than December 31, 1995 as follows:

(a) Category 1, consisting of nonresident deer or elk clients holding B-10 or B-11 licenses ("big game outfitter sponsored");

(b) Category 2, consisting of all non-outfitter sponsored big game species clients; and

(c) Category 3, consisting of upland game bird and migratory game bird (waterfowl) clients ("non-big game").

(3) The outfitter shall designate net client hunter use for each of the categories, under affirmation by oath on a form provided by the board. The outfitter shall specify the year or years from which the use is designated. If use is designated from any year prior to 1988, the outfitter claiming such use must submit documentation of such use, which shall be subject to approval of the board. The use designated by the outfitter shall be subject to random audit by the board's investigators. Submission of false information regarding net client hunter use is specifically designated as unprofessional conduct, and may result in revocation of the outfitter's license.

(4) When an existing outfitter purchases an outfitting business or any portion thereof in the state of Montana and makes application to the board for an expansion, the outfitter may designate net client hunter use in an amount equal to his or her historical use, plus the net client hunter use transferred from the selling outfitter to the applicant outfitter. For proposed new use by a newly licensed outfitter, net client hunter use shall be determined by the board as part of its order under this rule.

(5) In cases where a federal agency limits use on federal lands, hunter use of the outfitter providing authorized services on such lands shall be regulated by such federal agency. In all other cases, net client hunter use on federal lands shall be determined under either (2), (3) or (4) as applicable.

(6) Net client hunter use of each outfitter must be specific as to the category designated by the outfitter (big game outfitter sponsored, big game non-outfitter sponsored and non-big game). An outfitter may, in any one year which the outfitter has unserved Category 1 clients (outfitter sponsored), serve the unserved clients under Category 2. An outfitter shall not exchange, trade or substitute between any other category of net client use.

(7) An application for proposed expansion in net client hunter use under an existing operations plan, and applications by license applicants proposing new operations plans involving hunting use, shall be made on forms provided by the board. The board shall maintain a copy of the proposal in the board's office.

(8) The board shall issue an order, in accordance with the provisions set forth in 37-47-316 and 37-47-317, MCA, supported by findings of fact and conclusions of law, either granting, denying or modifying the proposal. A copy of the order shall be provided by regular mail to the individual submitting the request and any persons, associations or agencies submitting comments.

(9) Any party aggrieved by the board's decision may appeal such decision to the district court in the county affected by the proposal, within 30 days following the date of service by regular mail of the final order. (History: 37-1-131, 37-47-201, MCA; IMP, 37-1-131, 37-47-201, 37-47-316, MCA; NEW, 1996 MAR p. 145, Eff. 3/15/96; AMD, 1998 MAR p. 2267, Eff. 8/28/98; AMD, 2000 MAR p. 730, Eff. 3/17/00; AMD, 2003 MAR p. 1193, Eff. 6/13/03; TRANS, from Commerce, 2006 MAR p. 324.)

24.171.702 TRANSFER OF RIVER-USE DAYS (1) If requested by either the outfitter-owner transferring the river-use days or the prospective new owner receiving them, board staff shall determine the outfitter-owner's record of river-use days to ensure accuracy of the allocation of river-use days to be transferred.

(2) When board staff conducts such an audit, all expenses for the audit shall be billed to the outfitter who is transferring the river-use days. The fee for the audit has been established by the board and set forth in ARM 24.171.401. (History: 37-1-131, 37-47-201, MCA; IMP, 37-47-201, 37-47-310, MCA; NEW, 2006 MAR p. 324, Eff. 2/10/06; AMD, 2007 MAR p. 298, Eff. 3/9/07.)

Rules 24.171.2102 and 24.171.2103 reserved

24.171.2104 ACTIVE DUTY STATUS FOR LICENSEES IN THE MILITARY

(1) The board recognizes that the nation relies on members of the National Guard and the reserve branches of the armed forces for the nation's security, and that the members of the National Guard and reserve forces are subject to call to active duty on short notice. In consideration of that service to the nation, the board finds that it is appropriate to defer the licensing renewal obligations of such individuals called to active duty status, provided that the individual is not required by the armed forces to maintain current professional or occupational licensing as a condition of serving in the armed forces.

(2) An activated reservist, as defined in 37-1-138, MCA, upon submission of appropriate evidence, is entitled to the following privileges:

(a) The activated reservist is not required to timely pay a renewal fee for license renewal that comes due while the person is in active duty status. The renewal fee is payable within six months following the activated reservist's discharge from active duty status. Unless otherwise relieved from the renewal application requirements, the activated reservist must timely apply for license renewal.

(b) If the activated reservist provides proof to the board of the reservist's active duty status before the reservist's license expires, the reservist is relieved from having to timely submit a renewal application and any related documents or information during the period while the reservist is on active duty status. The reservist has six months following discharge from active duty status to submit to the board such renewal applications and any related documents or information that came due during the period of the reservist's active duty status.

(3) In order to gain the benefits of this rule, the activated reservist must provide the board with proof of active duty status, including the date upon which the reservist was called to active duty status. The board may require the activated reservist to periodically provide information to the board regarding the reservist's active duty status or the date of the reservist's discharge from active duty status.

(4) A license that has not lapsed continues in the same status as existed the day before the reservist was called to active duty status, and remains in that status until the reservist renews the license or six months have elapsed from the reservist's discharge from active duty status, whichever comes first. (History: 37-1-131, 37-1-138, 37-47-201, MCA; IMP, 37-1-138, 37-47-307, MCA; NEW, 2006 MAR p. 324, Eff. 2/10/06.)
